So, have I mentioned I need a life?

Updates are upcoming for news on the car, events, and otherwise. Sadly, time has been 100% sucked away to work, and almost no time has been available for fun stuff. Gotta keep the bills paid, I guess. In the meanwhile, take a look at OCCorvette if you're in the SoCal area and need work done. Sean is just getting his shop set up and ready for business, but it looks like it's going to be a hopping place for things to get done.
